

## Year 9 Camp Gear List

We are sending this list early so that families have a chance to arrange borrowing anything they do not already own. If any families have extra equipment that they could offer for other students to borrow that would be greatly appreciated, please contact one of the co-ordinators.

It is important that the students are able to get dry and warm, therefore sticking to the gear list is vital. It has been designed to meet all of the wet and dry activities needs the students take part in.

Remember to encourage your child to work off the cost of the camp, helping neighbours, washing cars etc

Group Contribution:  If you are the person who is going to be bringing the tent for your group, please add the tent to the	
list. This will need to be brought to the school the Friday before camp.	
I need to bring	0
Food Needed	
Packed lunch for Day One	0
2 ice cream containers of baking	0
Food eating Equipment	
Plate, cup, bowl, cutlery (non-breakable) and tea towel	0
the same of the sa	
All other meals and snacks are provided	
Bags/Packs Needed:	
A large bag to fit in clothing and sleeping equipment.	0
